Bruce,

Alan Johnson handed you a copy of everything I had at our meeting. I do not have any other citations.

Kind regards,

You stated that a number of dumpster in the alley had received citations (actually, what you told me in person some time ago was that every dumpster in the ally had received a citation... because of me).

I was only provided a copy of one of the citations. Please provide me with copies of all the other citation that you are aware of.
